RIVER VALLEY RIDERS
THERAPEUTIC RIDING PROGRAM

Mission: River Valley Riders provides horse related activities including therapeutic riding and driving to children and adults by addressing needs in the areas of physical, sensory, neurological, and/or mental health.

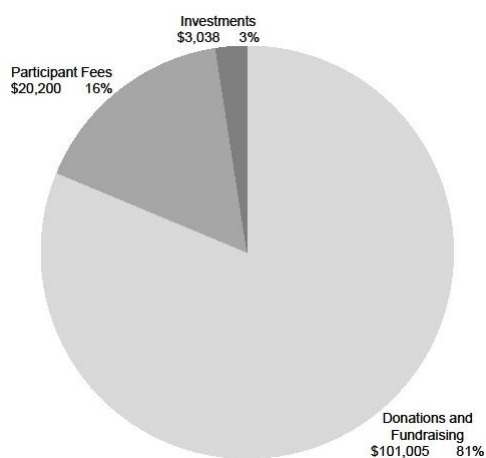

Type of Organization: River Valley Riders is registered in Minnesota as a nonprofit organization and was founded in 1999 with tax-exempt status under section 501(c)(3) of the Internal Revenue Code.

Clients Served: From April through October, 58 individuals with special needs participated in weekly lessons of therapeutic horseback riding and carriage driving. In addition, River Valley Riders served 87 children with disabilities through school programs and "Special Kids Day". River Valley Riders welcomes students from the greater Minneapolis/St. Paul metro area and Western Wisconsin.

Staff: Six NARHA Registered Instructors and over 150 volunteers who served over 5,000 hours teaching the lessons, assisting the participants, helping with the horses, fundraising, and completing administrative tasks.

Primary Fundraisers: \$23,755 was raised by the Walk and Ride-A-Thon in June and \$28,546 was raised by the Round-Up Dinner and Silent Auction in November.
